

Technical data sheet Version 1

Acrylic primer CONCENTRATE GOExpert

TY 20.30.11-003-49630959-04
(TY 2316-003-49630959-04)

Destination For the preparation of various types of surfaces (concrete, brick, wood, cement, gypsum, plasterboard, ceramic) for all types of decorative finishes (putty, staining, etc.). Increases adhesion, reduces and levels the absorbency of the surface.

Properties Concentrate. To obtain various types of primers, it is necessary to dilute the concentrate with water.

1. To obtain a primer for interior work , dilute 1:10
2. To obtain a primer for facade work, dilute 1:6
3. To obtain a strengthening soil for strong-absorbing, loose bases, dilute 1:4

Composition Styrene acrylic latex
Water
Special additives

Packaging Plastic containers by weight (cans) 1kg, 5kg, 10kg, (bucket) 26kg

Technical Specifications

Appearance	White composition
Film appearance after drying	Smooth, no visible inclusions
Viscosity according to the viscosity meter $\hat{A}\hat{C}$ -246, nozzle diameter 4 mm, sec, no less	10
Frost resistance, cycles	5
pH	6,5-9,5

Storage conditions Store in a tightly closed container, away from heaters and direct sunlight, at a temperature not lower than +5°C. In case of freezing products thaw at room temperature and mix thoroughly until homogeneous mass. After thawing it completely retains its properties.

Guaranteed shelf life In unopened container manufacturer 36 months from the date of manufacture.

Transportation By all means of transport in conditions excluding the influence of atmospheric factors (covered vans, wagons, etc.). Duration of transportation at temperatures below 0°C should not exceed 1 month. Product does not belong to dangerous goods. Code of emergency measures is not required.

Waste management Containers and unused remains of primer after drying are disposed as household waste.

Security Products are fire and explosion-proof and non-toxic. Use personal hand protection equipment. When using the product do not smoke, do not drink, do not eat. In case of contact with skin and eyes wash with water. Keep out of reach of children. Avoid contact with water and soil.
